

Join the Congress PAC

Every penny contributed to the 4C's Political Action Committee goes to a special interest -- US!

Decisions that directly affect our work lives and our community college system are being decided at the State Capitol. Through the Congress PAC, we have the ability to help elect candidates to public office who share our views. The PAC is funded by small donations from many members.

Below is a payroll deduction form for the 4C's Political Action fund. This money is used by the 4C's for contributions to Legislative Leadership Committees and other political groups that further our interests as community college professionals.

Due to recent retirements, **our PAC is desperately short of the monies needed** to continue our political work. If every member makes a small contribution, it will add up to big results on election day!

Please fill out the form and return to the 4C's office today.

This authorization is voluntarily made based on my specific understanding that (1) The signing of this authorization form and the making of these voluntary contributions are not conditions of my employment by my Employer or membership in any union; (2) That I may refuse to contribute without any reprisal; and (3) I may contribute the amount I choose without fear of favor or disadvantage from the 4C's or my Employer.
